

KICKSTER

TURNING FUELEU COMPLIANCE INTO A MARKET OPPORTUNITY

THE CHALLENGE

FuelEU Maritime is creating new compliance requirements for shipping companies. Managing surplus and deficit positions, finding pooling partners and making timely compliance decisions can be complex and fragmented.

THE SOLUTION

KICKSTER FuelEU Marketplace is a digital platform connecting maritime stakeholders and enabling them to manage FuelEU compliance positions through transparent market-based pooling.

KEY FEATURES

- Compliance calculation
- Surplus/deficit assessment
- Marketplace listings
- Direct negotiation
- Digital contracts
- Analytics and forecasting
- Regulatory insights
- Pooling partner discovery

BUSINESS MODEL

Free enterprise access + paid membership.

Full marketplace membership: **€3,000/year**. ([KICKSTER FUELEU MARKETPLACE](#))

TARGET MARKET

Shipowners | Operators | Ship managers | Charterers | Fuel suppliers | Pool operators | Compliance providers

INVESTMENT & PARTNERSHIP OPPORTUNITY

KICKSTER is looking for investors and strategic maritime partners to scale the marketplace, expand market participation and accelerate international growth.
